FOR IMMEDIATE RELEASE

Precision Walls Names John Christine Account Manager for new Pharma/Biotech Division

CARY, N.C. (April 12, 2011) – John Christine has rejoined the Precision Walls, Inc. team as an Account Manager for the newly launched Pharmaceutical/Biotech Division. A 40 year veteran of the construction industry, John has extensive experience in the Pharmaceutical/Biotech market both as a general contractor and subcontractor and will bring a wealth of knowledge to grow this new division. His background includes in-depth knowledge of construction management and administration along with the ability to plan and oversee a project from design through completion. John will play an integral role in the strategic direction of the new division and focus on growing customer relationships in the pharmaceutical and biotech sectors.

About Precision Walls:

Precision Walls, Inc. is a family owned and operated specialty contractor headquartered in Cary, North Carolina with offices located in NC, SC and TN. Precision Walls started from its humble beginnings in 1964 to become one of the nation's premier specialty contractors serving clients throughout the Southeastern United States. It is recognized by *Engineering News-Record* as one of the Top 10 walls and ceiling contractors in the United States. The company specializes in light gauge framing & trusses, commercial drywall, moveable & operable partitions, acoustical ceilings and EIFS.
