Precision Walls Announces Opening of Tennessee Office

Precision Walls Continues Expansion to Meet Needs of Clients in Tennessee

Cary, North Carolina (May 31, 2011) – Brian Allen, President of Precision Walls, Inc., announced today the opening of a new office in Tennessee. The new office will allow Precision Walls, a commercial contractor specializing in walls and ceilings, to better serve its existing client base and bolster growth in the region. They are one of the largest specialty contractors in the Southeast. Whether you are adding a door in your office or constructing a 30 story office building, Precision Walls has the solution. They are a relationship based business with a priority placed on customer service and beating schedules.

Terry Osborne, an 11 year Precision Walls' veteran, will be leading the efforts in the new office. An accomplished leader, Osborne has helped develop the Charlotte market. He has over 14 years of experience in the construction industry.

The new office is located at:

Precision Walls, Inc.
106 Wheeler Street
La Vergne, TN 37086
615-793-2271

About Precision Walls:

Precision Walls, Inc. is a family owned and operated specialty contractor headquartered in Cary, North Carolina with offices located in NC, SC and TN. Precision Walls started from its humble beginnings in 1964 to become one of the nation's premier specialty contractors serving clients throughout the Southeastern United States. It is recognized by *Engineering News-Record* as one of the Top 10 walls and ceiling contractors in the United States. The company specializes in light gauge framing & trusses, commercial drywall, moveable & operable partitions, acoustical ceilings and EIFS. For more information about Precision Walls, Inc., call (919) 832-0380 or visit their website at www.precisionwalls.com.
