FOR IMMEDIATE RELEASE

Precision Walls Hires Watson Snider as Account Executive

CARY, N.C. (May 11, 2011) – Precision Walls, Inc., one of the Southeast’s leading specialty contractors, announced today the addition of Watson Snider as an Account Executive. Prior to joining the Precision Walls’ team, Snider worked as an account representative specializing in the area of architectural products and as a project manager for a general contractor. In his new role as Account Executive for the Wilmington branch, he will focus on developing and maintaining customer relations for the Wilmington office covering the territory from Swansboro NC to Murrells Inlet SC. Watson graduated from East Carolina University with a BS in Construction Management.

About Precision Walls:

Precision Walls, Inc. is a family owned and operated specialty contractor headquartered in Cary, North Carolina with offices located in NC, SC and TN. Precision Walls started from its humble beginnings in 1964 to become one of the nation’s premier specialty contractors serving clients throughout the Southeastern United States. It is recognized by *Engineering News-Record* as one of the Top 10 walls and ceiling contractors in the United States. The company specializes in light gauge framing & trusses, commercial drywall, moveable & operable partitions, acoustical ceilings and EIFS.
